

Parking Guidelines

2019 PQ Memorial Day Tournament

Managers, Coaches, and Team Families:

Welcome to our PQ Memorial Day Softball Tournament! We hope that all of your teams and players have a great time participating in our tournament!

Please note that with our field of teams this year, parking at Canyonside Park will be limited.

There are only about 265 parking spaces at Canyonside Park. In addition, we have arranged to use the parking lot at Canyon View Elementary School (105 spaces) located one block north of Canyonside Park (on Adolphia Street). **RV parking will not be allowed at Canyonside Park or at Canyonview School. NO OVERNIGHT PARKING.**

Again this year, we will be offering a shuttle service between Canyonside Park, Canyonview School only. Please make sure your families are aware of this service.

We will have parking staff at Canyonside Park as you enter from Black Mountain Road. Please follow their directions!

If you plan to drop off a player(s) and equipment, you will be directed to a turnaround area of the parking lot where you can unload prior to parking. If you are directed back out to the front entrance of the park, do not panic! In that case, you will be directed to one of the nearby overflow parking lots.

Please try to carpool as much as possible to the fields.

Do NOT park on any of the grass areas or in front of marked fire lanes located at Canyonside Park. Only park in designated tournament locations. Parking will be enforced by local San Diego Police.

We appreciate your cooperation with parking and we hope you have a great tournament!
